#### Special Features

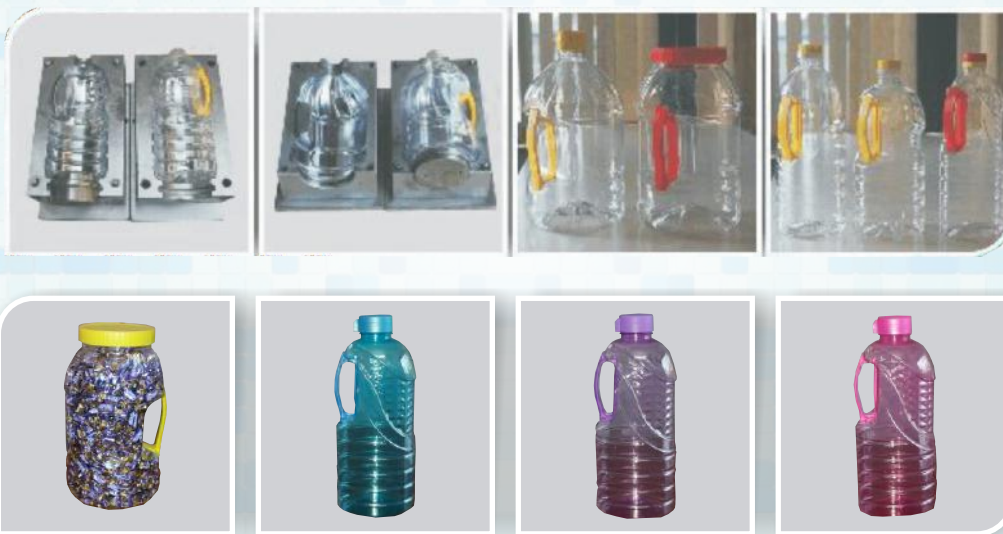

- Screw & barrel made from EN-41B Alloy steel Duly toughened & gas nitreated.
- Study Helical Gear box
- Spiral Die Head dully polished and Hard chrome Plated.
- AC driver for Extruder and Take-up.
- Sturdy Structural Construction
- Surface Winder
- Panel equipped with Micro Processor based. PID Temperature controllers.
- All A/c. Motors with A/c. Frequency drives.
- Film embossing (RimZim) arrangement.

## 4<sup>th</sup> Speciality Films & Flexible Packaging Global Conference - 2015

The 4th Speciality Films and Flexible Packaging Global Conference – 2015 was held at Hotel Grand Hyatt in Mumbai on 15th - 16th September 2015. The Summit was organized by ElitePlus++ Business Services (EPBS) and Chemicals and Petrochemicals Manufacturers' Association, India (CPMA), with over 800 delegates representing approximately 340 companies from over 25 countries.

The conference provided a very high level platform to producers of raw materials, both Indian and overseas, all leading converting machinery manufactures from India, EU, South East and Far East, all major converters covering blown films (multilayers), cast and BOPP and BOPET, printing, lamination and post extrusion finishing including automation in material handling and the major endusers from food, pharma, personal care and agri sectors.

The conference addressed all key issues impacting the flexible packaging industry. This ElitePlus++ Business Services promoted event has become a most sought after Summit because of its strength of the content, quality of the speakers from both India and overseas and large participation by all leading companies.

Opening session Keynote speakers were doyens of Indian and International packaging industry -Wim Roels - Chief Executive Officer, Borouge Pte., Ashok Chaturvedi -Founder Chairman and Managing Director, Uflex, Andreas Rutz - Managing Director Business Unit Specialty Machinery, Dornier, Ashok Goel - Vice Chairman & Managing Director, Essel Propack and Ramesh Krishnamurthy - Procurement Director, South Asia, Hindustan Unilever Limited.

A very interactive panel discussion on "Meeting End Users Demands & Challenges of Converting Industry" was one of the highlights of the conference.

The panelists were the leading convertors and the end users of the industry. In the Raw material development session the leaders of the industry addressing the audience were from Univation Technologies, ExxonMobil, DuPont Packaging & Industrial Polymers, Basell Polyolefins and Kuraray Co.

In the Film Converting Technologies session the leaders of the industry addressing the audience where from Rossini Group, Brückner Maschinenbau, Reifenhäuser Blown Film GmbH, Windmüller & Hölscher and Rajoo Engineers.

In the Innovations in Flexible Packaging session, the leaders of the industry addressing the audience where from Sealed Air Corporation, Ukrplastic, Cosmo Films and Amcor Flexibles Asia Pacific.

In the Printing and Decoration the leaders of the industry addressing the audience where from DuPont Packaging Graphics, Siegwark, Comexi Group, Bobst Italy, Nordmeccanica Group and QuadTech.

In the Coating, Laminating & Metallizing the leaders of the industry addressing the audience where from Michelman, Applied Materials Inc, Davis Standard and Henkel.

In the End Users Perspective Food Safety & Waste Management the leaders of the industry addressing the audience where from Agilyx Corporation, Wells Plastics, Henkel AG & Co. KGaA.

In the Break Through Technology the leaders of the industry addressing the audience where from Borouge, Bilcare Research and Colines.

Dinner speech by G. N. Bajpai, Chairman, Former Chairman, SEBI and LIC was a special highlight. He addressed on Volatile Market and Unstable Environment - how do we prepare?

Two Lucky Dip Winners were Kuldeep Singh from ONGC Petro additions Limited (OPaL) who drove away with a Hyundai i10 1.1 Magna & Raju Desai from Monachem Additives Pvt. Ltd. won a trip to Bangkok & Pattaya.

"It is always a pleasure to come back and speak at a conference, that, as you have all witnessed, gets grander by the year. I am also happy about the fact that the topic of presentation has garnered good interest from this august gathering. " by Pankaj Poddar, MD, Cosmo Films

This 4th Speciality Films and Flexible Packaging Global Conference – 2015 was a resounding success. Delegates were delighted with the presentations content and the opportunity it provided to network with industry peers along with gala dinner & several tea breaks. All look forward for the 5th edition in 2016.

Warm Regards,

Nidhi Verma

હવે જમાનો આવ્યો છે, પ્લાસ્ટિક અને વૂડ પ્લાસ્ટિક ના બોર્ડ અને દરવાજા જી ફ્રેમ નો. વૂડ અને પ્લાસ્ટિકનાં દરવાજાં અને ફ્રેમ-ચોખટ બનાવો. ખૂબ મોટું માર્કેટ. હરીફાઈની ચિંતા નહિ.

અમો અહીં જણાવીએ કે એકજ ફક્ત એકજ પ્લાન્ટમાંથી પી.વી.સી. ફોર્મ બોર્ડ બને અને વૂડ જી પી.વી.સી. નક્કર બોર્ડ બને, જેમાં વૂડ પાવડર લગભગ ચાલીસ થી પચાસ ટકા સુધી ચાલી શકે. ફર્નીચર અને લાકડાંના અનેક જાતના કામ માટે પ્લાયવૂડના વિકલ્પ તરીકે હવે

આનો જમાનો છે. અનેક પ્રકારની, વિવિધ ઘનતા અને જાડાઈ માં બનાવી શકાય. હવે જાણો: ડેટા એટલે કે વિગતો: દરવાજાં અને ફ્રેમ બનાવવા માટે, ચાઈનામાં જે મટીરીયલ વપરાય છે, તે નીચે મુજબ હોય છે. ઇ અહીંની પ્રજા થી ગેરમાર્ગે દોરવાવડું નહિ. ઊ

Material	- -
PVC	55.92
Wood powder	22.37
CaCO3	11.19
All other agents and additives	10.52
Total	100

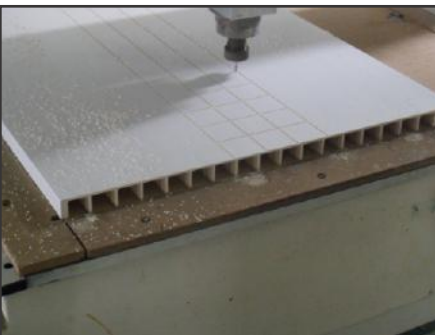

Weight of one set of door + Frame in CHINA	40 Kg
Per hour you can make Number of sets	10
Per day of 20 hours and per 26 days per month you can make Sets per year	62400
recipe cost and conversion cost per Kg	90.4
Per set of 40 Kgs ( IN INDIA people will make 35 Kgs	3616
Add Rs 1000 for the hardware and hot stamping and lamination material	1000
Total cost per Heavy nice set Complete	4616
Sell set for Rs 6000 profit stays per set	1384
Profit per year	86361600
Sell set for Rs 6500 profit stays per set	1884
Profit per year	117561600
Sell set for Rs 6500 profit stays per set	2384
Profit per year	148761600

ઉપરોક્ત ગણતરી કરવા માટે નો આધાર:

Machinery cost	52500000
Land	10000000
Building cost	18000000
Utilities, EB cost, Panel, Cables.	4000000
Installation and consultation charges	2000000

ચાઈનામાં આવાં દરવાજા અને ફ્રેમ નો સેટ જુઓ કયા ભાવે વેચાય છે:

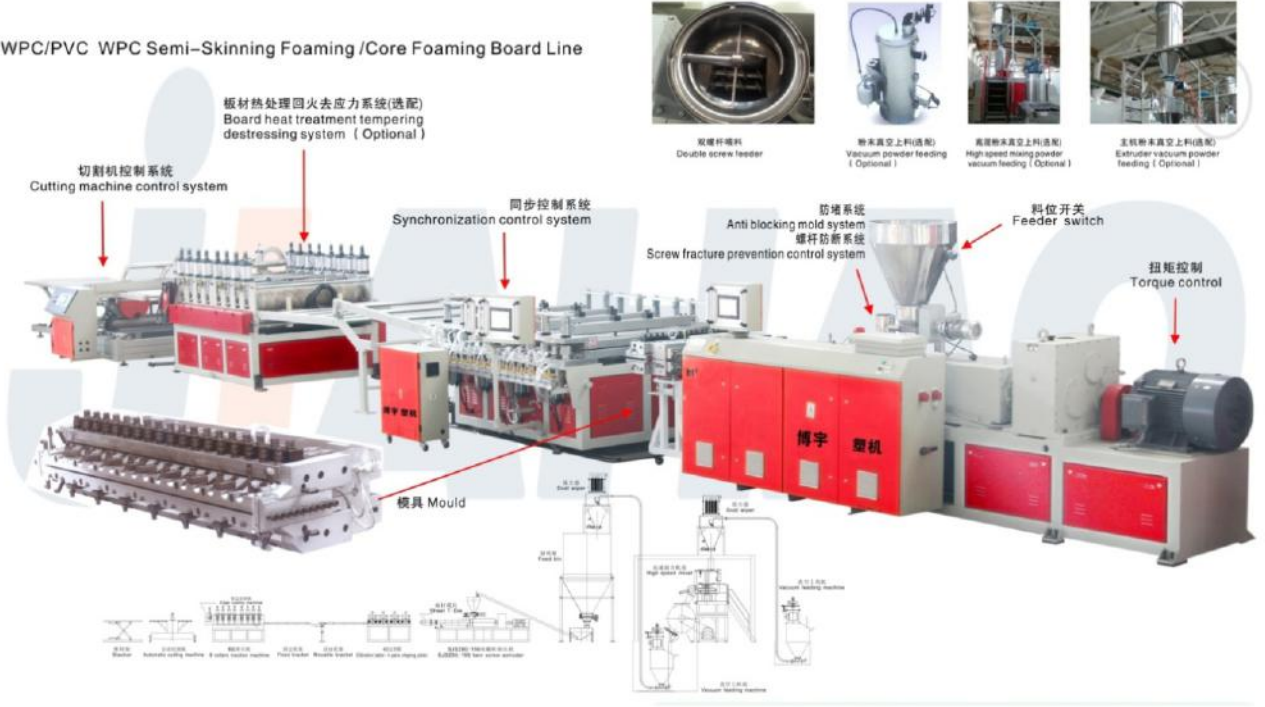

- 1200 Yuan ( Which is Rs 12000 Indian Equivalent) per set of door + frame, hot stamped + Laminated with Hardware.
- 900 Yuan = Rs 9000 per set in case the hot stamping and lamination is not done
- 750 Yuan = Rs 7500 per set in case hardware is also not given.( Lock, handle and Hinges)

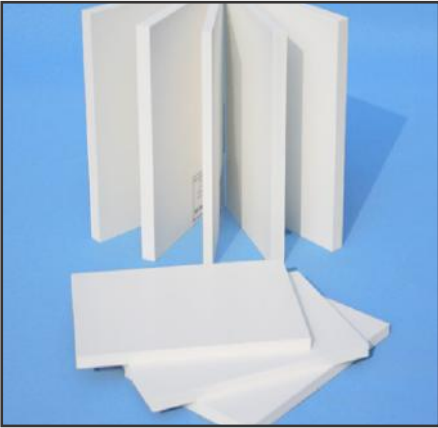

ઉપરોક્ત બધીજ ગણતરી ઓ દરવાજા અને ફ્રેમ માટે કરીને બતાવેલી છે. આ પ્રકારના મશીનરી સેટ અપ માંથી પ્લાસ્ટિક અને વૂડ પ્લાસ્ટિક બોર્ડ પણ બનાવી શકો. ફક્ત રુપિયા પચાસ લાખ જેટલાં વધારે રોકીને. જેથી બોર્ડ બનાવવાનો ખરેખર ખર્ચો ઘણો ઘટી જાય.

WPC/PVC WPC Semi-Skinning Foaming /Core Foaming Board Line

બોર્ડ : પી.વી.સી. બોર્ડ અનેક માપમાં અને અનેક ઇચ્છિત ઘનતા માં બનાવી શકાય. ચાર ફૂટ પહોળાઈ અને છ ફૂટ પહોળાઈ મળી શકે. વૂડ પ્લાસ્ટિક બોર્ડ દશ ટકાથી પચાસ ટકા સુધી લાકડાંનો ભૂકો ઉમેરીને સોલીડ બોર્ડ બની શકે. અનેકાનેક રીતે ઉપયોગી અને વપરાશ.

તદઉપરાંત એકજ પ્લાન્ટના સેટ અપ માંથી દરવાજાં અને બોર્ડ બને એવી ટેકનોલોજી અમારી પાસેથી જાણવા મથી શકે. પી એલ સી સાથે ઉચામાં ઉચી જાતની મશીનરી – જેમના દવારા વેચાણ પછીનો તમામ પ્રકારનો સપોર્ટ ખરેખર મળી રહે. ફ્રાંસ અને જર્મન ટેકનોલોજી. સાથે અત્યંત વ્યાજબી ભાવ.

ખાસ તો મશીનરી આવી જાય પછી રેસીપી અને સપોર્ટ માટે સાથે ઉભા રહેવા માટે જો ત્રાગા થાય તો? વિચારો.

All the figures are indicative and can change on the date of discussions.

**IPLEX 2015**

At the outset, Karnataka State Plastics Association (R) concluded the first ever Plastic Exposition – IPLEX 2015 held at BIEC, Bengaluru from 25<sup>th</sup> to 27<sup>th</sup> September 2015 organized by KSPA. A total of 220 Exhibitors from Machine Manufacturers, Polymer Producers, Ancillary Units, Product manufactures, various govt agencies from KUM, CIPET, NSIC, MSME, NCPAH & associations like FKCCI, KAASIA, AIPMA, GSPMA etc have participated in the concluded IPLEX-2015.

On 25<sup>th</sup> September at 11 AM, the Exhibition was inaugurated by Chief Guest Mr.Surjit K Chaudhary, IAS Secretary, Ministry of Chemicals & Fertilizers, Govt. of India. The Guest of Honour's were Mr. Siddhartha Mitra, Executive Director, Indian Oil Corporation (Polymers) & Mr. KK Seksaria, President, Plastindia Foundation and host of dignitaries from the industry as well other associated associations from southern states, CIPET, AIPMA, IPF, OPPI etc. The first day attracted around 4300 visitors/entrepreneurs/students.

The second day, 26th September visitors from neighbouring states like Tamil Nadu, Kerala, Telangana & Andhra Pradesh reaching venue by 9 AM. By 10 AM, visitors passes were issued to more than 1500 and it swelled to 4000 by 12.30 PM. By end of the day a total of 4600 visitors & this has been an overwhelming response from industry as well as students.

On 25<sup>th</sup> & 26<sup>th</sup>, six seminars were held on subjects like Polymer Usage in Agriculture, Packaging applications & emerging new grades in Polymers by eminent speakers from Reliance Industries Limited, MRPL, Indian Oil Corporation and Borouge Pte Limited. The seminars were attended by industrialists, students from CIPET & Polymer Engg Colleges of Karnataka, Tamil Nadu, Agri consultants.

On the last day of the Exhibition i.e., 27<sup>th</sup> September, CSR activity by holding a seminar on “FUTURE SUSTAINABLE MUNICIPAL SOLID WASTE MANAGEMENT” by Mr.Suhas Dixit, Director Pyrocrat, a leading Plastic/Tire Pyrolysis Plant Technologist & consultant, who is managing the SWM of Mumbai, Ahmadabad, Chandigarh municipalities & 17 other locations. The seminar was inaugurated by Hon'ble Mayor of BBMP & attended by Deputy Mayor, Chairman Standing Health Committee, corporators, and SWM officials.

The speaker gave a detailed presentation on SWM as well shown videos of the running plants across country as well in Europe. Speaker explained them, how 7000 liters of industrial usage diesel can be extracted from 10 MTs of plastic waste and from that we can produce 1 MW of power. He also invited for live demonstrations at Mumbai any time. The deliberations were well received and few corporators requested to arrange for detailed discussions in BBMP premises for all elected corporators. The Mayor in his concluding remarks shown interest on the project and requested to organize a detailed seminar in near future.

The whole exhibition had attracted around 15000 visitors and the machine manufactures had good response by getting lot of orders. The industries from Karnataka around 40, who participated in IPLEX 2015 had fruitful responses from prospective buyers and were very happy on the first ever Plastic Exposition held at Bengaluru for the first time. The exhibitors have given suggestions & support to hold in bigger way in coming years, which has given us strength to consider their request.

The Event was Organised by Karnataka State Plastics Association( R ), Tamilnadu Plastics Manufacturers Association, Telangana and Andhra Plastics Manufacturers Association, Kerala Plastics Manufacturers Association with Central Institute of Plastics Engineering & Technology.

Supported by Government of Karnataka, Plastindia Foundation, GSPMA, IPF, Organization of Plastics Processors of India, Indian Plastic Institute & The Plastics Export Promotion Council, India
